

Anthony Jessup - Mentor

Anthony grew up in Kenilworth in the Sunshine Coast hinterland and headed west to Boulia at age 18 as a ringer on Glenomiston station.

During the five's years there he did one Gordon McKinlay school and four Ron Wall schools. After meeting Ronnie for the first school in 2002 Anthony realised he wanted to ride horses more. In 2009 Anthony decided to go out on his own breaking in anywhere between 80 - 100 horses every year.

Fast forward to now and he travels anywhere from Tamworth NSW to the Gulf of Carpentaria all the way up to Katherine NT to break in horses and run horsemanship schools for large cattle companies and personal clients. Anthony's main focus is to have soft kind horses from his breakers, sale horses and competition horses in challenging and campdrafting.

He has won, placed and finaled in numerous challenges and campdrafts, some of his achievements include winning the NT Triple Crown Series twice in 2015 and 2017.
